the alpina gstaad

Gstaad, Switzerland

Photography by RETO GUNTLI

2

1. A private spa with soaring views of the glacial mountains is a highlight of the three-bedroom duplex Panorama suite that crowns the hotel.

2. Swiss tradition is pervasive throughout the suite, with hand-stitched upholstery, touches of embroidery, and locally sourced crafts.

3. Reclaimed wood doors lead to the bathroom, where a freestanding tub sits center stage.

winner spa

grand hyatt hotel shenyang

China

Photography by JIMMY COHRSEN

1. The treatment rooms in the hotel's spa have an indoor veranda overlooking a Zen garden.

2. Walls are covered in a natural distressed wood, designed to look as though it has been reclaimed from an ancient house in the region.

3. A skylight gives the indoor pool an outdoor feel.
